

Meet your new Security Officer:

You are receiving this because a new Security Officer has been scheduled at Your property.

Security Officer Information:

Officer Babers is a Security Officer with GuardTexas and has been assigned to your account. Officer Babers has successfully completed our extensive certification program in addition to the state required security test and background screening. You can trust our officer to service your property in a courteous and professional manner. GuardTexas has over 40 years' experience providing contract, patrol, and temporary guard services across Texas. At GuardTexas we have the resources and manpower to meet the security needs of all types and sizes of accounts. What differentiates us from the competition is that we are able to spend some time to get to know what you want and need in a security provider, and are able to tailor our services to fit. We are large enough to serve you, but small enough to know you.
