

Security Committee Helpful Tips & Reminders:

- **Guard Hours at Jack Nicklaus gate**
 - Sunday – Thursday: 6:00 am to 10:00 pm
 - Friday – Saturday: 6:00 am to 11:00 pm
- **Quick Pass** is our most convenient and effective tool for authorizing access into the neighborhood for all visitors, service providers and contractors. If you have questions about setting up an account or need a “refresher” course, please contact the guard supervisor and they will be happy to assist you.
- **All visitors, contractors and service providers must enter the neighborhood through the 100 Jack Nicklaus Gate**, not the Honors Gate. Since some GPS Applications may still route vehicles to the Honors Gate, please make sure your visitors, contractors and service providers are aware of this requirement before arriving, which will save them time and inconvenience.
- **All contractors and service providers must present a valid and current driver’s license and proof of auto insurance to the guards.** Please ensure they are aware of these requirements before their arrival to prevent misunderstandings, delays, and inconvenience.
- **Phone Calls to the Guard House should** be limited to unusual situations, special requests, and security related questions. Due to increased traffic volume, our guards do not have the capacity to make or receive a high volume of calls. Your consistent use of Quick Pass will ensure our guards will have the time to focus on their primary duties.
- **Please remember to comply with all speed and stop signs** within our neighborhood for everyone’s safety. Ensure all visitors are aware of and comply with our traffic and safety rules.

Adhering to this guidance will help facilitate quick and easy access for our family, friends, and contractors while contributing to the safety and security of our community.

Thank you for your support and cooperation!
